

**Lost and Grounded** No Rest For Dancers 6.2% abv

**Lost and Grounded** is a brewery on the banks of the River Avon in Bristol, established in July 2016. They say they are fascinated by the precision of German brewing and the idiosyncratic nature of Belgian beers – and are one of the few craft breweries who specialise in pilsners, lagers and other light beers.

**No Rest For Dancers** is a fruity and hoppy red ale. Lost & Grounded have taken a blend of malts including Pilsner, Vienna, light and dark crystal malts to achieve a deep red colour. For the hoppy character they have used a trio of Brewers Gold, Chinook and Mosaic hops. Plum pudding taste with a lively feel in the mouth. Smooth, strong finish – an all-round great ale!  
*P.S. L&G beers contain no isinglass finings, are vegan friendly and naturally hazy.*

**Wye Valley Brewery** Wholesome Stout 4.6% abv

One of the long-term bestsellers in the **Wye Valley Brewery** range. Very more-ish! (but aren't they all!) Dark and indulgent, **Wholesome Stout** is ebony brown in colour, with a roasted smoky nutty aroma. Our tasting team described this as a smooth, dark stout; full-bodied, plenty of roasted barley flavor with rich coffee notes, intense roasted barley flavours and a dry, bitter finish. *Winner of the Bronze award in the International Brewing Awards 'International Dark Beer' category.*

## Pershore Brewery Black Moon 5.0% abv

**Pershore Brewery** is based on the outskirts of the picturesque Georgian town of Pershore near Worcester and is owned and run by husband and wife team, Sean and Elizabeth Barnett. We were welcomed with open arms at their recent open evening and thoroughly recommend their great range of beers. **Black Moon** is an award-winning light Porter with deep roasted and dark chocolate maltiness, providing a hoppy aftertaste and a very light glow of ginger and lemongrass to lift the taste. This really is one to try! *SIBA bronze award for cask speciality ales 2018.*

## Beat Brewery Cosmic Pop 6% abv

**Beat Brewery** was founded with a mission to unite their love of music and beer. Each of their beers has been paired with a music genre and is brewed with the beats on LOUD! The ultimate yin-yang beer, **Cosmic Pop** hits the sweet spot between complex and twisting hop flavours and dark roast goodness. Hop flavours of grapefruit, lemon and pine are offset against a dark malt centre. A 6% black IPA! You've really got to try this one!
