Lost and Grounded Pale Ale 4.5% abv

Lost and Grounded is a brewery on the banks of the River Avon in Bristol, established in July 2016. They say they are fascinated by the precision of German brewing and the idiosyncratic nature of Belgian beers – and are one of the few craft breweries who specialise in pilsners, lagers and other light beers.

Lost and Grounded brewed their first ever Gose, a traditional thirst crushing north-German wheat beer! This collaboration brewed with Burnt Mill and Whiplash used a grist of 60% Wheat and 40% Pils malt and was soured with their house lactic culture. This beer has a subtle dose of coriander, a healthy amount of Irish sea salt to promote a smooth and round palate, and is dry-hopped with Sabro and Loral – it is tart, lemony and bright – bring on the sun!
