

Pershore Brewery CTRL-ALT-DELETE 5.2% abv

Pershore Brewery is based on the outskirts of the picturesque Georgian town of Pershore near Worcester and is owned and run by husband and wife team, Sean and Elizabeth Barnett. We were welcomed with open arms at their open evening and thoroughly recommend their great range of beers.

CTRL-ALT-DELETE, brewed with Pilsner grain and coloured by Cara and Caragold malts, has an abundance of high-alpha aroma hops. The hop mixture provides a fruity, yet aromatic citrus flavour with undertones of mango and tropical fruits, and a floral hit on the nose.

Burke's Beers Red Peg 4.5% abv

Burke's Beers is named after owner/brewer Samantha Burke (Sam) and brewed in the beautiful village of Blockley in the Cotswolds. The beers are made traditionally with love and care, conditioned in the bottle and are unfinned and unfiltered. Sam uses only British malts, hops and yeast and even the bottles are made in Britain. All the grain goes to a local farm and the hops are composted.

Red Peg is a smooth ale with a hint of caramel. It's brewed in small batches using only British ingredients. Unfinned and unfiltered it is then bottled conditioned to create the carbonation.

Box Steam Brewery Pony Truck 3.8% abv

A pony truck on a steam locomotive is an axle with two unpowered wheels designed to help negotiate curves on the line.

This **Pony Truck** has nothing to do with axles, wheels or negotiating curves – but it sounds good and suits this super hoppy pale ale. Brewed with Wai-iti and First Gold hops, Pony Truck is refreshing and juicy, with a truckload of ripe peach flavours.

Clavell & Hind BlunderBuss 4.2% abv

John Clavell and Captain James Hind, both infamous highwaymen, rode the coaching routes of England's South West, stopping at inns and public houses to quench their appetites, rest and plot. Knights of the road have been linked with drinking establishments for centuries. These heroic and courageous men were held in high esteem by the people, as stories of their daring spread fast across the country, engraining their name in English folklore.

Blunder Buss is an English pale ale brewed to bring out citrus and tropical fruit characteristics. Named after the Blunderbuss, this beer explodes with flavour. Impressing the unaccustomed and pleasing regular pale ale drinkers.

Abbeydale Brewery Heathen 4.1% abv

In 1996, when Patrick Morton along with his father Hugh decided to pursue their mutual love of fine beer and put their faith and money into creating their very own brewery. 24 years on, Pat and his wife Sue are still very much at the helm at **Abbeydale Brewery** and have developed the business into a well-known Sheffield institution.

Heathen is a wonderfully refreshing pale session beer showcasing the marvellous Mosaic hops from America. Bursting with tropical fruit flavours and a pleasant citrus bitterness. Just in case there wasn't enough in the initial brew, they have dry hopped with even more Mosaic for good measure!

Gluten Free

Cotswold Brew Co Premium Lager 5.0% abv

Cotswold Brew Co is one of the oldest independent lager microbreweries in the UK, having now entered their 15th year of brewing.

Premium Lager is Cotswold's Flagship Lager and one that has been there since the beginning. Classic in style, much like the Helles lagers found in Germany, this is the original Cotswold Lager. Deceptively easy to drink, but with lots of hidden depth and flavour.
