

**West Berkshire Brewery** Renegade 4.5% abv

**West Berkshire Brewery** started with an attitude that combined a passion for beer, a respect for the local community and a disregard for convention. Since 1995 they've been consistently dedicated to quality, taking pride in everything they do and striving to build a sustainable future.

Brewed using 100% British ingredients, **Renegade** is a pilsner-style lager is crisp, clean and utterly refreshing.

**Hillside Brewery** Legless Cow 4.2% abv

Founded in 2014, **Hillside** are based near Longhope in the Forest of Dean and are already building a reputation for award-winning beers.

Inspired by our nation's finest traditions, their Best Bitter **Legless Cow**, has a rich caramel flavour with a smooth citrus hop finish.

**Cotswold Brew Co** Solcana 4.7% abv

**Cotswold Brew Co** is one of the oldest independent lager microbreweries in the UK, having now entered their 15th year of brewing.

Here comes the sun, and with it **Solicana** - a lager special. Brewed with flaked rice, alongside malted barley, it marks the first occasion that an adjunct grain has appeared on the brewery's recipe sheets in their 15 year history! Tropical fruit notes of British hop variety, Olicana, shine through as it teams up alongside Mosaic to create a light-bodied, flavour-packed lager!

**Teme Valley Brewery** This 3.7% abv

Because of the brewery's origins in farming, **Teme Valley** only use UK grown malt and hops from Worcestershire and Herefordshire in their beers. With the exception of a Porter and an occasional wheat beer, all of their beers are “Burton” bitters – the style widely recognised as “real ale”.

All the easy drinking virtues of a light ale. **This** is brewed with Worcestershire Challenger and Goldings hops to give a vivid hop aroma and a subtle bitterness. Perfect with a light lunch – a ploughman's or a sandwich.

**Box Steam Brewery** Piston Broke 4.5% abv

The talented Isambard Kingdom Brunel didn't get everything right. His early trains were propelled by pistons sealed by leather valves – leather that proved fatally vulnerable to damp, cold weather. It's reassuring to learn that even the one of the greatest Britons sometimes ends up **Piston Broke**.

A robust golden ale, refreshingly hoppy with bittersweet fruity aromas, Piston Broke is a blend of Goldings and Cascade hops that never fails, whatever the weather.

**Frome Brewing Company** Sunny Y 4.6% abv

The brewing team at **Frome Brewing Company** are extremely talented and knowledgeable brewers that pride themselves on the highest quality beers. They do like to experiment but more importantly, it's all about balancing delicate flavors to produce easy drinking beers..

**Sunny Y** is an oat pale ale. The oats in the beer give it a deep softness. The Yuzu's flavours is tart and fragrant like a grapefruit with over tones of mandarin orange.
