

Two Tribes Metroland 3.8% abv

Two Tribes was born out of collaboration. London brewery provocateurs, fearless branding, declared modern beer brewers. They brew beer, design their own artwork, love food, and produce music. The name “Two Tribes” came from their passion to work with as many other liked-minded creative industries as possible. They channel these other industries to help grow.

Metroland is light bodied and easy to drink with a citrusy aroma of orange peel and papaya.

Vegan friendly

Lakehouse Brewery Citrus Pale Ale 4.0% abv

In 2016 **Lakehouse Brewery** had a vision to bring new and exciting flavours to the world of real ale. Based in Malvern, their beer collection showcases innovative recipes and celebrates unfiltered real ale, using natural ingredients of local and international produce.

Citrus Pale Ale is a refreshing pale ale with punchy citrus notes. A truly radiant slightly hoppy beer, dry hopped using cascade hops from USA. You really have to try this one!

Full Circle Brew Co Hesson Vienna Lager 5.0% abv

Full Circle Brew Co are a brewery and tap room based in Hoult's Yard, Newcastle, within easy reach of the city centre, in the craft beer haven of the Byker, Walker and Ouseburn communities. Well worth a visit if you're ever in the area.

What a treat we have for you. A dark, malty Viennese Lager. **Hesson** is crisp and fresh and packed with malty goodness.

Friday Beer Pinnacle 5.2% abv

Friday Beer was started by three expert material scientists made redundant in the recession. From the back-rooms and sheds of their homes, they had the idea to brew real ale in the heart of the Malvern Hills using local and British ingredients to produce fine flavours. Three years later, in 2014, the company had grown and developed, recently moving into a second, larger brewery. As true real ale enthusiasts, their mission is to provide you with high quality, interesting beers.

Based on a traditional British bitter, **Pinnacle** combines a variety of hops with grain to produce first class ale but a touch of Rye gives it a taste like no other. This beer will surprise and delight your taste buds and not just on a Friday.

Frome Brewing Company Sunny Y 4.6% abv

The brewing team at **Frome Brewing Company** are extremely talented and knowledgeable brewers that pride themselves on the highest quality beers. They do like to experiment but more importantly, its all about balancing delicate flavors to produce easy drinking beers..

Sunny Y is an oat pale ale. The oats in the beer give it a deep softness. The Yuzu's flavours is tart and fragrant like a grapefruit with over tones of mandarin orange.

Boat Lane Brewery Liberty Boat 4.0% abv

Based in Offenham, Worcestershire, **Boat Lane Brewery** is a hidden gem, preferring to spend their time tinkering with the brewing process rather than that boring marketing stuff. However we tracked them down and sneaked off with some of their beer!

Liberty Boat is a delicious pale ale that we can't wait for you to try!
