

**Two Tribes** Metroland 3.8% abv

**Two Tribes** was born out of collaboration. London brewery provocateurs, fearless branding, declared modern beer brewers. They brew beer, design their own artwork, love food, and produce music. The name “Two Tribes” came from their passion to work with as many other liked-minded creative industries as possible. They channel these other industries to help grow.

**Metroland** is light bodied and easy to drink with a citrusy aroma or orange peel and papaya.

*Vegan friendly*

**Abbeydale Brewery** Moonshine 4.3% abv

In 1996 Patrick Morton, along with his father Hugh, decided to pursue their mutual love of fine beer and put their faith and money into creating their very own brewery. 24 years on, Pat and his wife Sue are still very much at the helm at **Abbeydale Brewery** and have developed the business into a well-known Sheffield institution.

The flagship pale, and their most famous beer, **Moonshine** has been in production since way back in 1996, when the brewery led the path to America to experiment with hops never before seen in the UK. Now 25 years down the line and **Moonshine** is still a firm favourite across the board. Hopped with Willamette, Delta, Citra, Chinook & Centennial - this is a beautifully well balanced pale perfect for any occasion.

**Salt Beer Factory** Calico 4.0% or Crash 5.0% abv

Founded in 2018, the vision for **SALT** was 3 years in the planning. They aimed to create a modern, accessible brand, embedded in the local community of the UNESCO World Heritage Village of Saltaire. They strive to produce exceptional hop-forward beer and couple this with a valuable brand experience.

**Calico** is a smooth, easy drinking pale ale which can be appreciated by those with gluten intolerances, as well as those without. \*Gluten Free\*

**Cotswold Brew Co** Imperial Pilsner 7.3% abv

We have brought you something truly unique here (again)!

**Cotswold Brew Co** have lagered the *Imperial Pilsner*

The long-maturation gives the beer a huge mouthfeel and a long finish; the German Polaris and Slovenian Wolf hops balance the lager and give it a very East-European influence. Enjoy!

**Lakehouse Brewery** Amber Session Ale 3.9% abv

In 2016 **Lakehouse Brewery** had a vision to bring new and exciting flavours to the world of real ale. Based in Malvern, their beer collection showcases innovative recipes and celebrates unfiltered real ale, using natural ingredients of local and international produce.

**Amber Session Ale** is a great Taste award winning beer. It's light, sweet & refreshing. It's an easy going moreish malty traditional session ale, brewed using local Bramling Cross hops.

**Totally Brewed** Guardians of the Forest 3.8% abv

Brewing in Nottingham since 2014, this small brewery is run by a team of five plus can artist Max Rock..!

Big fans of counter culture they come up with beers with names such as "4 Hopmen of the Apocalypse" and "Tijuana Build a Snowman" ..!

If you like Citra and Mosaic hops, you'll love this beer. Refreshing and fruity with a slight bitterness. It's an easy drinking session beer, but has the satisfying hop hit of a much stronger ale. *\*Vegan friendly*
