Lost and Grounded Helles 4.4% abv

Lost and Grounded is a brewery on the banks of the River Avon in Bristol, established in July 2016. They say they are fascinated by the precision of German brewing and the idiosyncratic nature of Belgian beers – and are one of the few craft breweries who specialise in pilsners, lagers and other light beers.

In 2021 L&G welcomed **Helles** as a full-time addition to their core range. Gentle and balanced, Helles exemplifies everything they aim to achieve as lager brewers. Rolling hills, open fields and happy times with friends – a reminder there are good things ahead. Helles uses the same pilsner malt blend as Keller Pils, and gently hopped with Magnum, Perle and Tettnang. Soft, Bready, Floral.

Beermats Brewing Company Legitimate 4.5% abv

Beermats Brewing Company was founded in 2017 by 3 friends in a pub while drinking good, honest British beer – like most good ideas! This was when they decided what their brewing philosophy would be – easy drinking, great beer that's not too out-there that everyone can enjoy, whether it be on a Summer's day or by the fire during the cold of Winter.

Legitimate is a classic English bitter made using the best malt & English hops. Auburn coloured, with big malty flavours, gentle spicy notes & a lingering bitter finish.

Frome Brewing Company Rise of the Independents 4.8% abv

The brewing team at **Frome Brewing Company** are extremely talented and knowledgeable brewers that pride themselves on the highest quality beers. They do like to experiment but more importantly, its all about balancing delicate flavours to produce easy drinking beers.

New Zealand-grown Nelson Sauvignon makes all the running in this juicy, light amber-hued IPA. Named because the hop variety's characteristics are reminiscent of Sauvignon Blanc (so that's wine drinkers covered), it has made itself very comfortable in each glass of this intriguing IPA. It has light and lilting suggestions of gooseberry and lemon on the nose, while a similar fruitiness tantalises the palate, alongside a dash of white pepper followed by an arch of bitterness and dryness in the finish.
